**@EVIEHENDERSON**  
I'm moving to New York in two weeks to go to The Lee Strasberg [Theatre & Film Institute] for three months. Then, hopefully, I'm just going to start auditioning and working over on sets. I'd rather make films, but I'd definitely like to do some theatre, too—Nina [from Chekhov's The Seagull] is probably my dream role. I mean, beggars can't be choosers... I'd love anything Audreya is really hard, because flowers suit it type for all of that. I want. Before you've even walked through the door they've probably cast the role, or you don't fit it. It's hard, it's a complete 180, but it hasn't turned me off. Myra and I did our first outdoor. Skye George [I always tell her that you can't do it for a living. As long as you put in 10%]

**Size: £95, inc. £125, and out. £295, all Ashley Williams (ashleywilliams.com)**

*They're tipped to be the next big names in music, acting and modelling – and they're all under 25. Grazia meets the next generation of talented Londoners coming of age...*
