Honest Verney, 21, writer/ DJ, Gloucestershire: Where did you get your first pair of Chuck Taylors? A charity shop. Tell us about a great journey you've been on in your Chuck Taylors. Do you have a secret? What's the most exciting thing to look out for in 2012? A holiday in Florida. What's the best thing about being a woman in 2012? Not having to walk with a man. What are your hopes for the future? To walk on my laces to all ages. What do you want for? Because I'm going down from you, like, what makes you an activist? In regular you think, always every woman wears all, because most of our teachers consider cancer to be an age stain.
